ORDER No. L. 1564-74—L. B. 67-26-11, DATED 30TH AUGUST—20TH SEPTEMBER 1929.

Government consider that the District Boards of Mysore and Kadur should be held responsible for providing facilities in the matter of communications, public health, education, economic development and other amenities to the Jahgir areas comprised within the District and that in order to enable them to discharge the responsibility, it is necessary that the administration of the Local Cess in the Jahgir areas should vest in the Boards.

2. In these circumstances, Government are pleased to direct in modification of para 3 of Government Order No. L. 4132-4—L. B. 127-26-1, dated the 23rd December 1926 that the Jahgirdars of Yelandur and Sringeri be relieved from the 1st January 1930 of their responsibility in respect of communications and primary education and medical relief in their respective Jahgirs and that the District Boards of Mysore and Kadur and the Government bear these charges with effect from above said date.

No. L. 1564-74—L. B. 67-26-11, DATED 30TH AUGUST—20TH SEPTEMBER 1929.

3. The Local Cesses, that are now being levied in the Jahgir areas at present, will continue to be levied, but their levy, collection and administration will vest in the Revenue and other Government authorities as in the other parts of the District. The cesses leviable on the Jahgir villages will be based on their recorded value which should be assessed in accordance with para 294 of the Mysore Revenue Manual. It is reported by the Superintendent of Revenue Survey that this amounts approximately to Rs. 55,426 in Yelandur and Rs. 47,693 in Sringeri. Seventy-six per cent of the proceeds of the Local Cess from the Jahgir villages should be allotted to the District Board and the rest utilised by the Dapartment of Education.

In addition to Local Cess, both education and railway cesses should be levied in the Yelandur Jahgir. In the Sringeri Jahgir, only Education Cess shall be levied for the present in addition to the Local Cess.

4. The Director of Public Instruction, the Senior Surgeon and the District Boards of Mysore and Kadur are requested to arrange for taking over the charge of the institutions and roads that devolve on them under this order and provide for their due maintenance.

GEN. REV. SECT. 3086 7 DEC. 1929 L. S. G. S.

Med 116-29-3

Dear Sir,

In reply to your D.O.letter No.L.3699, dated 23-11-29, I write to inform you that as a consequence of the Jahagirdars of Yelandur being relieved of ~~their~~ his responsibility in respect of medical aid with effect from the 1st January 1930, the dispensary at Yelandur has to be converted into a Local Fund Dispensary from 1-1-30. The dispensary at Sringeri is already a Local Fund one and will continue as such. No extra cost is involved so far as this dispensary is concerned.

I herein enclose a statement showing the scale of establishment and other charges of a local Fund Dispensary. Of these charges, the pay of the Sub Assistant Surgeon and the cost of Europe medicines have to be met by Government and the rest by the local bodies concerned. Thus the additional cost devolving on Government is Rs.405/- on account of the pay of the Sub Assistant Surgeon for the remaining five months of the year.

As regards the cost of Europe medicines, a sum of Rs.1200/- is required for the dispensary to begin with. I would suggest that such of the medicines which are already in stock at the dispensary and the cost of which has already been met by the Jahagirdar may be utilised till they last and new indents for such other medicines that as may be found necessary, sent to stores later on. I am sure the Jaghir authorities will have no objection to permit this. A provision of Rs.50/- per mensem to supplement the stock of Europe medicine up to the end of June next will, I believe, be adequate.

The total extra cost will thus amount to Rs.405 plus Rs.250 or Rs.655. As this item of expenditure is an unforeseen one, and as the Budget grants of this Department are too limited to permit of re-appropriation of funds, I request that an additional grant of Rs.655/- may be sanctioned by Government to meet the extra cost.

Necessary provision for the dispensary at Yelandur will, of course, be made in the next year's Budget. The Deputy Commissioner has been requested to be good enough to furnish

furnish Government direct with a report as to the source from which the rest of the expenditure involved will be met.

Yours Sincerely,

S. Subba Rao
